

Instructions For Temporary Orders

WHEN TO USE THIS PACKET

The normal process for obtaining court orders is to complete an Order to Show Cause or Notice of Motion packet, file the paperwork, set a court date, attend pre-court mediation to work out a parenting plan for the child/children and attend a hearing so the court can make custody and visitation orders.

However, if you believe that the health and safety of your child/children is at risk if the court does not make immediate orders, you can ask the court for “Temporary Orders”. To qualify for Temporary Orders, the physical or emotional safety of your child/children must be at risk. These orders are not the norm and are to be requested only in extreme situations.

To request temporary Orders you must:

1. Complete the order to Show Cause packet and check box 3(c) on the Order to Show Cause form [FL-300]
2. Check the “to be ordered pending the hearing box at items 1 & 2 on the Application for Order and Supporting Declaration form [FL-310] and explain in detail the danger to the child at item 10
3. Complete a Temporary Order packet
4. If there is an existing custody and visitation order, you must attach a certified copy of that order .

Once the packet is completed and reviewed by the Family Law Facilitator you must submit the original and 2 copies to the Family Law Clerk on the 4th floor of the court house. Once submitted , the Court will review your paperwork and decide within a few days if they will grant ex parte relief or Temporary Orders. If Temporary Orders are granted a hearing will be set and you will need to have someone other than you over the age of 18 personally serve the other party with the paperwork, no later than 5 days before the hearing. Who ever serves the papers must complete a Proof of Personal Service [FL-330] and file it with the court before the court date.
